- **PURPLE-THUNDER (#300L)** - All-purpose heavy-duty cleaner-degreaser-deodorizer. 4-16 oz. per gallon.
- **PERFORM (#230)** - All purpose, concentrated, water-based detergent cleaner, spotter. 1-2 oz. per gallon.
- **GRE-SA-WAY (#25)** - NSF A-1 Registered cleaner that is safe to use on food contact surfaces. All-purpose cleaner-degreaser manufactured specifically for areas where food is manufactured, processed, prepared or served. Non-toxic, non-caustic, non-flammable, odorless, non-abrasive. 4 gallon case.
- **TIME-SAVER (#225-QT)** - Heavy-duty spray cleaner. RTU quart bottle. 12 quart case.
- **TRANSFORM (#95SC-QT)** - Detergent, degreaser with no butyl, non caustic. RTU quart bottle. 12 quart case.
- **EXTREME SOIL (#235-QT)** - Extra high-performance gel cleaner. RTU quart bottle. 12 quart case.
- **GRE-SA-WAY (#25-QT)** - All purpose cleaner that is safe to use. RTU quart bottle. 12 quart case.

GLASS CLEANERS

- **CRYSTAL-CLEAR (#80)** - Non-alcohol, non-ammoniated glass cleaner. RTU. 6 gallon case.
- **SPARKLE-BRITE (#145)** - Highly concentrated (1oz. /gal). Non-streaking alcohol-based window/glass cleaner.
- **SUPER-GLASS (#265)** - High-quality, non-streaking glass cleaner, formulated with de-ionized water. RTU. 6 gallon case.

LIQUID HAND SOAPS

- **ORANGE-TREE (#450)** - Anti-Bacterial, Heavy Duty Foaming Hand soap. 12-550 ml bottles w/foam pumps.
- **PREFERRED (#240)** - High quality, lemon-scented ready-to-use synthetic liquid hand soap. Use in all dispensers.
- **EFFORTLESS (#248)** - Lemon liquid hand soap. Use in all dispensers. RTU. 6 gallon case
- **ULTRA-CLEAN (#165)** - Premium anti-bacterial hand soap. Kills germs on contact. Choose from four different fragrances: no fragrance, lemon, peach, or floral. Also available with no dye. 6 gallon case.
- **HAND SANITIZER (#200-QT)** - Waterless, no rinse hand sanitizer. RTU quart bottle, 12 quart case.
- **ULTRA-CLEAN (#165-QT)** - Anti-Bacterial liquid hand soap. RTU quart bottle, 12 quart case.

Specialty Products

- **GUM-X (#555)** - An environmentally friendly, water-based, low VOC gum remover. Gum-X is phosphate free and biodegradable. Pleasant citrus scent. RTU quart. 12 quarts per case.
- **UNIQUE-WBC-X (#565-QT)** - Quickly restores white boards. RTU quart bottle. 12 quart case.
- **LABOR-SAVER (#220-QT)** - Fast-acting lubricant that stops squeaks. RTU quart bottle. 12 quart case.
- **SUPER-SHINE (#5-QT)** - All-in-one polish and protector. RTU quart bottle. 12 quart case
- **DUST-OFF (#45-QT)** - Dust cloth & Mop Treatment. RTU quart bottle. 12 quart case.
- **FRESH-MIST (635-QT)** - Eliminates odors in air, fabric & carpets. RTU quart bottle. 12 quart case.
- **ODOR-X (#210-QT)** - Bacteria that digests odors. Deodorant. RTU quart bottle. 12 quart case.

Graffiti Products

- **GRAFFITI-X (#420)** – Effective and safe marker remover. Effective against spray paint, ballpoint ink, print ink, pencil, crayon, lipstick, adhesive and grease. Non-corrosive, no chlorinated solvents, safe and easy to use. Pleasant citrus fragrance. Ready to use - 12 quarts per case.
- **LIFT-OFF (#275)** – Extra Heavy-Duty marker remover. Effective against spray paint, ballpoint ink, etc. 12 quart case.
- **LIFT-UP (#460)** – Extra Heavy-Duty marker remover. For extreme conditions. Effective against spray paint, ballpoint ink, etc. 12 quart case.
- **GRAFFITI-OFF (#430)** – Environmentally Safe Mark Remover. Derived from soybean. Bio based formula 12 quart case.
- **BARRIER-IN (#440)** – Interior Graffiti Sealer and Protectant. Makes graffiti removing a breeze. 12 quart case.
- **BARRIER-EX (#470)** – Exterior Graffiti Sealer and Protectant. Makes graffiti removing a breeze. 12 quart case.
-

Floor Care

- **DESTINY (#82)** - Highest quality, high-gloss, ultra-durable floor finish. Modified acrylic mixed-metal polymer.
- **HS DESTINY (#83)** - Ultra High-solid floor finish that contains an acrylic mixed-metal polymer for outstanding durability and premium shine.
- **FINISH NZ (#86)** - **Champion's Green floor finish**. Contains no-zinc, yet maintains the necessary properties of all floor finishes: durability, gloss and ease of application.
- **REVOLUTION (#100)** - Combination floor finish and sealer. Extra hard, all-acrylic formula.
- **ONCE-A-YEAR (#40)** - Modified acrylic floor polish, mixed-metal cross link. Long-lasting gloss.
- **SUPER-GLOSS (#290)** – Extra-high gloss, thermoplastic floor finish.
- **DURA-SHINE (#35)** - Extra-high safety floor finish; excellent general wear properties.
- **DURA-FLOOR (#215)** - Super-durable floor wax with outstanding gloss.
- **GRIP SEALER (#65)** - Water-based, all-acrylic floor sealer.
- **CONCRETE SEALER (#70)** – For interior or exterior use, environmentally friendly, water-based polymer.
- **SUPER-STRIP (#270)** - Heavy-duty, non-ammoniated, labor-saving, mop-on floor stripper. 8 oz. per gallon.
- **SAFE STRIP (#315)** - Non-ammoniated floor stripper, safe-to-use floor finish remover. Contains no caustic.
- **LIFT-UP (#75)** – Concentrated, non ammoniated, non butyl, heavy duty floor stripper. 8 oz per gallon.
- **BLAST-IT (#15)** - Liquid floor cleaner and scrub soap. 6-8 oz. per gallon.
- **TRANSFORM (#95)** - Phosphate-free, non-butyl liquid floor cleaner and scrub soap. 8 oz. per gallon.
- **TWISTER (#60)** - All-purpose neutral floor cleaner. Ideal for spot mopping. 1 oz. per gallon.
- **WET LOOK (#330)** - Mop-on or spray-on high-speed buffing compound for restoring shine.

Available in Gallons, Pails, Cubitainers, and 55 Gallon Drums

Carpet Care

HOT WATER EXTRACTION

- **EXTRACTOR (#20)** - Highly-concentrated low-foam liquid carpet steam-cleaner/soil emulsifier. 1 oz. per gallon.
- **STEAM-N-CLEAN BLUE POWDER (#155)** - Granulated carpet steam-cleaner. For use in portable and truck mount units. Available in 15 lb. buckets with measuring scoop.
- **GUM-X (#555)** - An environmentally friendly, water-based, low VOC, non-aerosol, gum remover. This product contains no phosphates and is biodegradable. GUM-X has a pleasant citrus odor. RTU. Packaged in 12-one quart bottles for ease of use and efficiency.
- **FORMULATION CCC-128 (#128)** - Detergent/disinfectant. Safe on all carpet fibers. 1 oz. per gallon. Use as a pre-spotter or in portable/truck mount tank. Excellent odor remover. 6 gallon case.

SHAMPOOS, SPOTTERS & DEFOAMERS

- **SUPER-CLEAN ORANGE SHAMPOO (#130)** - Highly-concentrated liquid carpet and upholstery shampoo. Detergent/solvent blend. Safe on all fibers. Use with rotary spin pad or dry-foam methods. 4-8 oz. per gallon.
- **SUCCESS (#135-QT)** - Highly effective carpet spotter. RTU quart bottle. 12 quart case.
- **QUICK-DRY (#50-QT)** - Spin bonnet carpet cleaner. RTU quart bottle. 12 quart case.
- **FOAM-X (#55)** - Liquid silicone emulsion de-foamer for use in extraction or steam units. 6 gallon case.

Restroom Care

E.P.A. REGISTERED DISINFECTANTS

- **VERSATILE (#180)** - Broad spectrum EPA registered disinfectant, staphyocidal, bacterial, virucidal, fungicidal, milde- static, cleaner deodorizer. HIV claim. Dilution: 2 oz. per gallon, sassafras scent. 6 gallon case.
- **FORMULATION 64RP (#64RP or YL)** - One-step, low pH, mild germicidal cleaner and deodorant. Disinfects, cleans, and deodorizes in one labor-saving step. Dilution: 2 oz. per gallon, pine or lemon scent. 6 gallon case.
- **FORMULATION CCC-128 (#128)** - Highly concentrated neutral pH, germicidal detergent cleaner. Kills HIV-1 (AIDS VIRUS) and hepatitis B and C viruses. Dilution: 1 oz. per gallon, pine scent. 6 gallon case.
- **PINE ODOR (#85)** - Effective against a wide variety of gram positive and gram negative bacteria. Excellent deodorant. Dilution: 6 oz. per gallon with a pleasant pine scent. 6 gallon case.
- **SANI-RINSE (#496)** - Highly concentrated, effective sanitizer for use on food contact surfaces in food processing equipment. Dilution: 1-4 oz. per gallon of water. 6 gallon case.
- **FORMULATION MPG-256 RP (#30RP or BLS)** - One-step disinfectant, germicidal detergent deodorant. Effective at controlling mold and mildew. SARS claim. Dilution: 1/2 oz. per gallon of water. Blue sassafras or red pine. 6 gallon case.
- **CITRUS DC (#125)** - A mild, low pH, multi-purpose, disinfectant cleaner. Disinfects, cleans and deodorizes in one labor-saving step. MSRA claim. Dilution: 2 oz. per gallon of water with a citrus scent. 6 gallon case.
- **SPARK-64 (#SP64)** - One-step Hospital Grade disinfectant. Disinfects, cleans and deodorizes in one labor-saving step.
- **CPV PLUS (#CPV)** - One-step disinfectant for use in animal settings.
- **LIME-UP (#415)** - De-limer, de-scaler, bowl, tile and stainless steel cleaner. EPA registered disinfectant that is effective against all odor-causing bacteria. 6 gallon case, 12 quart case.
- **YELLOW-FLASH (#400P)** - Broad spectrum, phosphate-free powdered detergent disinfectant. HIV claim. Packaged in pre-measured water soluble 1/2 oz. packets. 90-packets per tub/2 tubs per case. Lemon scent.

PORCELAIN, TILE & CHROME CLEANERS

- **SAFE (#115)** - RTU liquid de-limer for porcelain, tile and chrome; low percentage phosphoric. Mint scent. 6 gallon case.
- **LIME-UP (#415-QT)** - Phosphoric disinfectant; EPA registered disinfectant/de-limer/de-scaler. Effective against odor-causing bacteria. Quart Bottle. 12 quarts per case, .6 gallon case.
- **LIME-X (#90-QT)** - A concentrated phosphoric gel cleaner that adheres to vertical surfaces. LIME-X will clean porcelain, fiberglass, chrome, stainless steel, grout and ceramic tile. Ready to use. 12 quarts per case.
- **COLOSSUS (#160)** - Super-concentrated porcelain, tile and chrome cleaner. Ideal for bowls and urinals. Mint fragrance. 6

gallon case.

- **SUPER-FOAM SHOWER & LOCKER CLEANER (#495)** - Heavy-duty de-limer and de-scaler for removal of hard water deposits and build-up in shower/locker room areas. Mint scent. Best when used through a Hydro-foamer Foam Gun.

CONTROL SYSTEMS

- **YELLOW-FLASH (#400P)** - Broad spectrum, phosphate free powdered detergent disinfectant. HIV claim. Packaged in pre-measured water-soluble 1/2 oz. packets. 90-packets per tub/2 tubs per case. EPA registered. Lemon scent.
- **PURPLE THUNDER (#300P)** - All-purpose cleaner-degreaser formulated to cut heavy oil-based dirt and grime. 1/2 oz. pre-measured packets, 90-packets per tub/2 tubs per case. Fresh scent.

Custom-made non proprietary mixing station. Hydro-proportioner encased in a metal locking cabinet for safety and chemical control. Raw material concentrates dispensed from gallon containers through this dispenser into Ready to Use product for your protection and ease of use.

GREEN PRODUCT LINE

- **GREEN FLOOR WAX (#600)** – Metal free, high gloss, scuff resistant floor wax. 6 gallon case, 5 gallon pails.
- **GREEN HEAVY DUTY CLEANER (#610)** – Highly concentrated and effective cleaner with a mild pH. 6 gallon case.
- **GREEN MULTI-PURPOSE CLEANER (#615)** – No harsh chemicals, free rinsing, non-corrosive. 6 gallon case.
- **GREEN GLASS CLEANER (#630)** – Streak-free and quick drying; just spray and wipe clean. 6 gallon case.
- **GREEN THUNDER (#910-QT)** – Fast-acting, Green, heavy duty cleaner. RTU quart bottle. 12 quart case.
- **GREEN GENIUS (#915-QT)** – All surface Green multi-purpose cleaner. RTU quart bottle. 12 quart case.
- **GRE-SA-WAY (#25-QT)** – Non caustic, odorless, all-purpose cleaner. RTU quart bottle. 12 quart case.
- **DAY BREAK (#905-QT)** – Streak-free Green glass cleaner. RTU quart bottle. 12 quart case.
- **FRESH STREAM (#920-QT)** – Soft and Fresh Green Hand soap. RTU quart bottle. 12 quart case.
- **GREEN GOLD (#925-QT)** – High-Foam Green Pot & Pan soap. Quart bottle. 12 quart case.

Champion Environmentally Preferred Product Formulations

Champion certifies that its green cleaning products are non-poisonous, non-flammable, non-aerosol and water based. Champion certifies that its green products contain no known carcinogens and that these products contain no ozone-depleting compounds. Our Green cleaning products are engineered and formulated to reduce the impact on human health and the environment. Certified Biodegradability: All Champion Green Products comply with OECD definition of Ready Biodegradability (60% to 70% biodegradable within 28 days) for each organic component above 1% in the ready to use product. All Champion Environmentally preferred/green products at ready-to-use dilution have low toxicity and contain no phenolic compounds or petroleum solvents.

CHAMPION GREEN CLEANING SYSTEM

This is a patented proprietary mixing station that uses super-concentrated 2 liter bottles through a unique wall-mounted space-saving dispenser.

The green cleaning system is based on 5 major principles:

1. Environmentally Preferred Product Formulation.
2. The Champion Dispenser Improves User Safety.
3. Champion Provides Employee Training.
4. The Champion Dispenser Eliminates Product Waste.
5. Champion Super-Concentrate Formulation Reduces Packaging Waste.

This unit will dispense ready-to-use cleaning chemicals into either a spray bottle or mop bucket with the push of a lever.

Our company also offers a free 30-day trial at no obligation to qualified customers. Please see our website for additional information.
